Dear Parent or Guardian:

Your child may qualify for free or reduced breakfast and lunch. Please fill out and return the application as soon as possible so that we may determine if your child qualifies. You can also apply online and are encouraged to do so if you are able. Visit www.ezmealapp.com to begin the online application process. All free and reduced students qualify for both breakfast and lunch. Please note that juice or milk is \$.50 for all students.

Any student who was eligible for free or reduced breakfast and lunch in June of 2018 will still be eligible until October 12, 2018. After that time, if a new application has not been submitted, students will have to pay full price for breakfast and lunch.

Your child's school may be eligible for additional funds based on free and reduced lunch numbers. Therefore, it may benefit all the children in the school for you to apply, even if your child will not generally purchase lunches.
